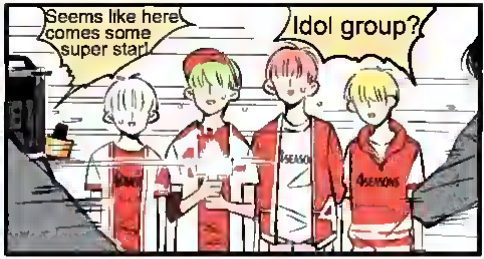
Although we are new,
We still expect.
We still try our best...

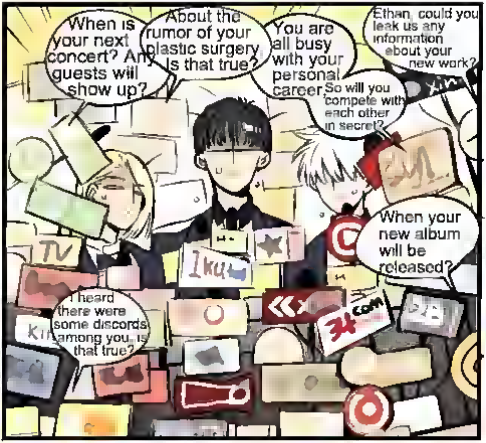
Sorry...Can I
say it again?

No need... Anyway, this interview will be cut...
WOWOW!!



Seems like here comes some super star!
Idol group?

Hi, everyone. We are FLY!



When is your next concert? Any guests will show up?
About the rumor of your plastic surgery. Is that true?
You are all busy with your personal career.
Ethan, could you leak us any information about your new work?
So will you compete with each other in secret?
When your new album will be released?
I heard there were some discords among you. Is that true?
